(b) Summary Delivered / Owners Meeting Called. Within ninety (90) days after any proposed annual budget (or any proposed amendment to any annual budget) is approved by the Board, the Board shall (i) mail by first-class mail, or otherwise deliver, including posting the proposed annual budget (or proposed amendment to an annual budget) on the Baseline Community Association's website, a summary of the proposed annual budget (or budget amendment) to all Owners, and (ii) set a date for a meeting of the Owners to consider the proposed annual budget or budget amendment.

(c) Owner Action. The Owners Meeting to consider a proposed annual budget or any proposed amendment to an annual budget must occur within a reasonable time after mailing or other delivery to the Owners of such proposed budget or budget amendment, or as otherwise allowed in the Bylaws.

(d) Approval. Unless at the Owners Meeting votes held by Owners owning a Majority of the Sites, whether or not a quorum is present, are cast to reject the proposed annual budget or proposed budget amendment, the proposed annual budget or proposed budget amendment, as appropriate, shall be deemed approved; *provided, however*, at the Board's discretion, any portion of the proposed annual budget or budget amendment that sets forth costs or expenses to be paid by a Limited Assessment shall be deemed approved unless at the Owner's Meeting votes held by Owners owning a Majority of the Sites to which such Limited Assessment are allocated, whether or not a quorum of such Owners is present, are cast to reject such proposed Limited Assessment. For purposes of this Section 6.2(d), each Site shall be allocated one vote, regardless of the number of Owners of such Site.

(e) Effect of Rejection. If any portion of the proposed annual budget or budget amendment is rejected as provided in Section 6.2(d), then the portion of the budget last proposed by the Board that addresses (in the judgment of the Board) the same subject matter as the rejected portion (*e.g.*, capital improvements) that was not rejected by the Owners in accordance with Section 6.2(d), shall be deemed renewed for the next Fiscal Year and shall remain in full force and effect until such time as the Board proposes a new annual budget or budget amendment that is not rejected by the Owners as set forth in Section 6.2(d).

6.3 General Assessments.

(a) Levy. On the first day of each calendar month or on such other day or in such other intervals as determined by the Board, the Baseline Community Association shall levy and collect from each Owner, with respect to each Assessable Site owned by such Owner, an annual assessment to be used by the Baseline Community Association for: (i) the maintenance

and ownership of the Common Elements, (ii) providing Services to the extent costs and expenses are incurred by the Baseline Community Association therefor that benefit the Owners or their Guests as determined by the Board, or (iii) any other purpose permitted by law (in any case to be paid in twelve (12) equal monthly installments or in such other installments as determined by the Board) (a “**General Assessment**”) in the amount calculated pursuant to Section 6.3(b).

(b) Allocation of Assessment Units. The allocation among the Owners of liability for the Common Expenses (and for certain Assessments) as set forth herein is based on the Owners respective pro rata share of assessment units allocated to each Owner’s Site pursuant to this Section 6.3(b) (“**Assessment Units**”). Each Site is allocated the number of Assessment Units equal to the number of votes in the Baseline Community Association allocated to such Site pursuant to Section 4.3, except that no votes are allocated to:

- (i) Undesignated Sites,
- (ii) Undeveloped, Non-assessable Single-family Sites,
- (iii) Undeveloped, Non-assessable Multi-family Sites,
- (iv) Designated Non-residential Sites, or
- (v) Community Facilities.

(c) Allocation of Liability for General Assessments. For each Fiscal Year, the Baseline Community Association shall levy and collect from each Owner a General Assessment, with respect to each Assessable Site owned by such Owner, in the amount equal to the product of: (i) the total amount of General Assessments for such Fiscal Year as set forth in the Baseline Community Association’s annual budget for such Fiscal Year, and (ii) a fraction, the numerator of which is the number of Assessment Units allocated to such Assessable Site pursuant to Section 6.3(b), and the denominator of which is the total number of Assessment Units allocated to all Assessable Sites.

6.4 Limited Assessments.

(a) Levy. The Assessments the Baseline Community Association may levy pursuant to this Section 6.4 are referred to in this Declaration as “**Limited Assessments.**”

(b) Allocation of Liability for Limited Assessments. Notwithstanding anything to the contrary contained in Section 6.3, if any Common Expense or other charge incurred by the Baseline Community Association is attributable to (i) the provision of any facilities or services to one or more but fewer than all of the Sites or Owners, or (ii) the management, operation, construction, maintenance, repair, replacement, alteration or improvement of a Limited Common Element, then Baseline Community Association may levy and collect an Assessment for such Common Expense or other charge against each such Site or Owner, as appropriate, to which such facilities or services are provided or to which such Limited Common Element is appurtenant, as appropriate, in an amount equal to either: (A) the product of: (1) the amount of such Common Expense or other charge, and (2) a fraction, the numerator of which is the number of Assessments Units allocated to such Owner’s Site pursuant to Section

6.1(f), and the denominator of which is the number of all Assessment Units allocated (pursuant to Section 6.1(f)) to all Sites to which such Common Expense or other charge is attributable, or (B) any other equitable proportion as the Board reasonably deems appropriate.

(c) Budget. Limited Assessments must be shown on an annual budget, or an amendment to an annual budget deemed approved by the Owners pursuant to Section 6.2, and shall be paid in twelve (12) equal monthly installments or in such other installments as determined by the Board and shall be due on the first day of each calendar month or on such other day as determined by the Board.

(d) No Waiver. The failure of the Baseline Community Association to levy a Limited Assessment shall not be deemed a waiver, modification, or release of an Owner's liability for the Common Expense for which such Limited Assessment is or would be attributable.

6.5 Special Assessments.

(a) Levy. The Assessments the Baseline Community Association may levy and collect pursuant to this Section 6.5 are referred to in this Declaration as "**Special Assessments**".

(b) Shortfall. If the Baseline Community Association's revenues (including revenues from Assessments) are not sufficient to pay the Common Expenses in accordance with the provisions of this Declaration, then the Board may cause the Baseline Community Association to levy and collect a Special Assessment against the some or all of the Owners of Assessable Sites, in an amount equal to such shortfall, *provided, however*, that any such Special Assessment shall be deemed a "budget amendment" (as such term is used in Section 6.2) and, therefore, shall not be effective unless and until the applicable procedures and requirements set forth in such Section 6.2 have been observed and satisfied. Special assessments shall be paid in twelve (12) equal monthly installments or in such other installments as determined by the Board and shall be due on the first day of each calendar month or such other day as determined by the Board.

(c) Allocation of Liability for Special Assessments. With respect to each Special Assessment, the Baseline Community Association shall levy and collect from each Owner of an Assessable Site a Special Assessment, with respect to such Assessable Site, in the amount equal to the product of: (i) the total amount of such Special Assessments, and (ii) a fraction, the numerator of which is the number of Assessment Units allocated to such Owner's Assessable Site, and the denominator of which is the number of Assessment Unites allocated to all Assessable Sites.

6.6 Reconciliation. As soon as reasonably possible after the end of each Fiscal Year, the Board will cause the actual amount of costs and expenses incurred by the Baseline Community Association for such Fiscal Year, including costs and expenses for Capital Improvements, amounts paid pursuant to the Joint Funding Agreement, and the amount of funds deposited into the Reserve Account for such Fiscal Year, to be reconciled against the amount of Assessments received by the Baseline Community Association for such Fiscal Year. If there is a

surplus of funds at the end of such Fiscal Year, the Board may deposit all or a portion of such surplus into the Reserve Account or may return all or any portion of such the surplus to the Owners either directly or as a credit against future Assessments, in proportion to their respective number of Assessment Units. If any Owner has overpaid General Assessments, Limited Assessments or Special Assessments allocated to such Owner's Sites, the Board may either refund the overpayment to such Owner or credit such overpayment against such Owner's obligation to pay Assessments for the following Fiscal Year. To the extent any Owner has underpaid the General Assessments, Limited Assessments or Special Assessments allocated to such Owner's Sites, the Board may either demand in writing that such Owner pay the deficiency to the Baseline Community Association within a specified period of time, as determined by the Board, after the Board notifies such Owner of such underpayment (which period of time may not be less than thirty (30) days), or the Board may include such underpayment in such Owner's obligations for General Assessments, Limited Assessments or Special Assessments for the following Fiscal Year.

6.7 Default Assessments.

(a) Levy. Notwithstanding any provision herein, if any Common Expense is caused by: (i) the negligence or misconduct of an Owner or such Owner's Guest, or (ii) a violation of any covenant or condition of a Community Document by an Owner or such Owner's Guest, including failure to timely pay any Assessment or any other amount due to the Baseline Community Association, then the Baseline Community Association may levy an assessment against such Owner's Site. Any such Assessment levied by the Baseline Community Association and each fine, penalty, and fee, and all collection costs and reasonable attorneys' fees, costs, and expenses and other charges imposed upon an Owner for the violation of any covenant or condition of any Community Document by an Owner or such Owner's Guest are each referred to herein as a "**Default Assessment**". Owners of Sites against which Default Assessments have been levied shall pay such Default Assessments when required by the Board.

(b) Notice and Opportunity to be Heard. With respect to any Default Assessment, or portion thereof, levied other than as a late charge, returned-check charge or interest, the notice and hearing procedures set forth in the Rules shall be followed.

6.8 Real Estate Transfer Assessments.

(a) Obligation. Subject to the terms and conditions of Section 6.8(c), immediately upon the occurrence of any Transfer of any Site, the Transferee shall pay to the Baseline Community Association an assessment (a "**Real Estate Transfer Assessment**") in an amount equal to the sum of: (i) an amount to pay the Baseline Community Association's administrative expenses related to a Transfer (an "**Administrative Transfer Fee**") in the amount of two hundred dollars (\$200) or such different amount as may be established by the Board.

(c) Exemptions. Notwithstanding anything to the contrary contained in this Section 6.8, the Baseline Community Association shall not levy or collect a Real Estate Transfer Assessment for any of the Transfers described below, unless, with respect to clauses (iv) through (xxiii), the Transfer was made for the purpose of avoiding the Real Estate Transfer Assessment.

For the purposes of this exclusion, (A) the relatives of a Transferor shall include all lineal descendants of any grandparent of the Transferor, and the spouses of such descendants, and (B) stepchildren and adopted children shall be considered lineal descendants. A distribution from a trust shall be treated as a Transfer made by the grantors of the trust to the beneficiaries of the trust.

(vii) Any Transfer arising only from the termination of a joint tenancy of a Site or the partition of a Site held under common ownership, except to the extent that additional Consideration is given in connection therewith.

(viii) Any Transfer or change of interest by reason of death, whether provided for in a will, trust or decree of distribution, except for a sale of a Site by the estate of an Owner.

To the extent that Consideration in addition to previously purchased Sites is paid to Founder in such an exchange, the additional Consideration shall be subject to the Real Estate Transfer Assessment. To the extent that Founder, in acquiring by exchange Sites previously purchased from Founder, pays Consideration in addition to transferring Sites, the original

Purchaser shall be entitled to a refund from the Baseline Community Association in an amount equal to the product obtained by multiplying (A) the amount of the additional Consideration, by (B) the Real Estate Transfer Assessment Rate that was in effect as of the date of the original Transfer.

(xvi) Any Transfer pursuant to any decree or order of a court of record determining or vesting title, including a final order awarding title pursuant to a condemnation proceeding, but only where such decree or order would otherwise have the effect of causing the occurrence of a second Transfer subject to the Real Estate Transfer Assessment in a series of transactions which includes only one effective Transfer of the right to use or enjoy a Site.

For example, if corporation A owns sixty percent (60%) of corporation B, and corporation B owns one hundred percent (100%) of corporation C and corporation C conveys a Site to corporation A for two million dollars (\$2,000,000), sixty percent (60%) of the Real Estate Transfer Assessment would be exempt and a Real Estate Transfer Assessment would be payable only on eight hundred thousand dollars (\$800,000) (*i.e.*, forty percent (40%) of the two million dollars (\$2,000,000) Consideration).

(d) Without Consideration. For purposes of Section 6.8(c), a Transfer shall be deemed to be without Consideration only if:

(a) Creation of Lien. The Baseline Community Association shall have a lien on each Site securing each Assessment levied against that Site and any fines, late charges, penalties, interest, attorneys’ fees, disbursements and costs of collection imposed against its Owner under any Community Document. The Assessment Lien shall secure all of the foregoing obligations of an Owner from the time such obligations become due. If an Assessment is payable in installments, the Assessment Lien secures each installment from the time it becomes due, including the due dates set by any valid Baseline Community Association acceleration of installment obligations.

(b) Priority. An Assessment Lien is prior to all other liens and encumbrances on a Site except:

(i) liens and encumbrances Recorded prior to the Recordation of this Declaration,

(ii) a First Mortgage which was Recorded before the date on which the Assessment sought to be enforced became delinquent; *provided, however*, that the Assessment Lien for an amount equal to the Assessments which would have become due, in the absence of any acceleration, during the six (6) - month period immediately preceding institution of an action to enforce the lien or to extinguish the lien shall be prior to such First Mortgage, and

(iii) liens for real estate taxes and other governmental assessments or charges against the Site.

- (i) actions or suits to recover sums secured by an Assessment Lien; or
- (ii) the Baseline Community Association from taking a deed in lieu of foreclosure.

(f) Receiver. In any action by the Baseline Community Association to collect Assessments or to foreclose an Assessment Lien for unpaid Assessments, the court may appoint a receiver with respect to a Site to collect all sums alleged to be due from the Owner prior to or during the pendency of the action. A court may order the receiver to pay any sums held by the receiver to the Baseline Community Association during the pendency of the action to the extent of the Baseline Community Association's Assessments.

(g) Method of Foreclosure. An Assessment Lien shall be foreclosed in like manner as a mortgage on real estate, except that, to the extent required by Section 316(11)(a) of CCIOA, the Baseline Community Association or a holder or assignee of the Assessment Lien, whether the holder or assignee of the Assessment Lien is an entity or a natural person, may only foreclose on the lien if:

(i) the balance of the assessments and charges secured by such Assessment Lien equals or exceeds six (6) months of common expense assessments based on a budget adopted by the Baseline Community Association, and

(ii) the Board has formally resolved, by a recorded vote, to authorize the filing of a legal action against the specific Site on an individual basis. Notwithstanding any other provision in the Community Documents, the Board may not delegate its duty to act under this Section 6.10(g)(ii) to any attorney, insurer, manager, or other Person, and any legal action filed without evidence of the recorded vote authorizing the action must be dismissed. No attorney fees, court costs, or other charges incurred by the Baseline Community Association or a holder or assignee of the Assessment Lien connection with an action that is dismissed for this reason may be assessed against the Owner.

6.11 Waiver of Homestead Exemption. By acceptance of the deed or other instrument of transfer of a Site, an Owner irrevocably waives the homestead exemption provided by C.R.S. § 38-41-201, et seq., as amended.

forth the amount of unpaid Assessments currently levied against such Owner's Site. The statement shall be furnished within fourteen (14) calendar days after the Baseline Community Association's receipt of the request and shall be binding on the Baseline Community Association, the Board, every Owner and Mortgagee. If no statement is furnished to the Owner, the Mortgagee or its designee, delivered personally or by certified mail, first-class postage prepaid, return receipt requested, then the Baseline Community Association shall have no right to assert an Assessment Lien upon the Site for unpaid Assessments which were due as of the date of the request.

(b) First Mortgagees. The Baseline Community Association shall report to any First Mortgagee any unpaid Assessments remaining unpaid for more than ninety (90) days after the same shall have become due, if such First Mortgagee first shall have delivered to the Baseline Community Association a written request for notice of unpaid Assessments. Any First Mortgagee holding a lien on a Site may pay any unpaid Assessment with respect to such Site, together with any and all costs and expenses incurred with respect to the Assessment Lien securing such unpaid Assessment, and upon such payment, such First Mortgagee shall have a lien on the Site for the amounts paid with the same priority as a lien of the First Mortgage held by such First Mortgagee.

6.13 Administration of Assessments.

(a) Right to Records. The Baseline Community Association shall have the right to inspect and copy all records of any Owner that are related to the Owner's obligation to pay any Assessment or to deliver any information to the Baseline Community Association under this Article VI.

Any decision made in that regard shall be final and binding on the Baseline Community Association and the Owners.

6.14 Reserves; Reserve Account. The Board shall maintain a reserve account to hold and accumulate funds required to undertake Capital Improvements (the "**Reserve Account**"). Funds set aside or to be set aside for Capital Improvements are referred to herein as the "**Reserve**". Funds may be withdrawn from the Reserve Account only upon approval of the

Board and may be used only for making Capital Improvements, but shall not be used for litigation, arbitration or other dispute resolution relating to the Capital Improvements or for any purpose other than making Capital Improvements, without the express written consent of at least sixty-seven percent (67%) of the votes in the Baseline Community Association and Founder.

(c) Additional Provisions regarding Working Capital Fees. No Owner shall be entitled to a refund of any amount contributed as a Baseline Community Association Working Capital Fee or a BECCA Working Capital Fee paid by such Owner or such Owner's transferee upon the subsequent transfer of any Site. Any amounts contributed as a Baseline Community Association Working Capital Fee or a BECCA Working Capital Fee shall not constitute an advance payment of any Assessment any amount due under the Joint Funding Agreement, or any other fee or charge. The Baseline Community Association is not required to maintain a separate account for Baseline Community Association Working Capital Fees. Notwithstanding any other provision herein, no BECCA Working Capital Fees shall be due or payable to the extent doing so would cause the Residential Cap to be exceeded in the opinion of the Council. Notwithstanding any provision herein, neither Section 6.15(b) nor this Section 6.15(c) with respect to BECCA Working Capital Fees shall be amended without the prior Recorded written consent of BECCA. The Baseline Community Association shall have a Design Review Committee (the "**Design Review Committee**") consisting of between three (3) and seven (7) individuals appointed by Founder. Founder may remove or replace any member of the Design Review Committee with or without cause. Founder may cause the Design Review Committee to incorporate, in which case all references herein to the Design Review Committee shall be deemed to refer to the board of directors of such corporation. Regardless of whether the Design Review Committee is incorporated, the Design Review Committee is separate and apart from the Board and, specifically, is not a committee of the Board.

(b) Governance. The Design Review Committee shall select its own chairperson from its members. The chairperson shall be the presiding officer of its meetings. In the absence of the chairperson from a meeting, the members present shall appoint a member to serve as acting chairperson at such meeting. Meetings shall be held upon call of the chairperson at the offices of the Baseline Community Association or at such other location selected by the chairperson. A Majority of members of the Design Review Committee shall constitute a quorum for the transaction of business. In the absence of a quorum, a lesser number may adjourn any meeting to a later time or date. The affirmative vote of a Majority of the members of the Design Review Committee shall constitute the action of the Design Review Committee on any matter before it, without any requirement for ratification by the Board. Except as set forth above, the Design Review Committee shall operate in accordance with its own Rules, and be filed with the Baseline Community Association and maintained in the records of the Baseline Community Association and be subject to inspection by all Owners and Mortgagees. The Design Review Committee may amend its Rules and shall deliver any such amendment to the Baseline Community Association.

(c) Consultants. Subject to budgets established by the Board, the Design Review Committee is hereby authorized to retain the services of one or more consulting architects, landscape architects, urban designers or other professionals and consultants to advise and assist the Design Review Committee in performing the design review functions described in this Article VIII. The Design Review Committee is also authorized to hire Persons to perform

Such variations or adjustments will be granted in the Design Review Committee's sole and absolute discretion.

(f) Waivers; No Precedent. No approval, variance or waiver granted by the Design Review Committee with respect to any matter shall be deemed to constitute a precedent or waiver as to any other matter.

The Design Review Committee or its designated representatives may enter upon any Site at any reasonable time or times to inspect the progress, work status or completion of any project.

(h) Stop-work and Approval Withdrawal. In addition to the remedies described in Section 8.4, the Design Review Committee may withdraw approval of any project and require all activity at such project to be stopped, if deviations from the approved plan or approved construction practices are not corrected or reconciled within twenty-four (24) hours after written notification to the Owner specifying such deviations.

(i) Conditions to Consents and Approvals. The Design Review Committee may, as a condition to any consent or approval, require an Owner to enter into a written agreement with the Baseline Community Association containing such covenants, conditions and restrictions as the Design Review Committee deems necessary or appropriate, including penalties for failures to comply.

(j) Founder's Exemption. Notwithstanding any provision to the contrary contained in this Article VIII, Founder and Founder's designees shall be exempt from the provisions of this Article VIII with respect to all matters.

Any Owner aggrieved by a decision of the Design Review Committee specifically concerning such Owner may appeal the decision to the Board in accordance with procedures to be established by the Board. Such appeal shall be in writing and shall be filed within thirty (30) days after the decision of the Design Review Committee. The Board may overrule the Design Review Committee on any issue or question, on the condition that more than fifty percent (50%) of the Directors vote to do so. In the event the decision of the Design Review Committee is overruled by the Board on any issue or question, the prior decision of the Design Review Committee shall be deemed modified to the extent specified by the Board and such decision, as so modified, shall thereafter be deemed the decision of the Design Review Committee. All decisions of the Board shall be final and binding on all Owners.

8.4 Enforcement of Restrictions. If an Owner violates any term or condition set forth in this Article VIII or in the Rules of the Design Review Committee, the Baseline Community Association and the Design Review Committee shall have the following rights and remedies:

(a) The Baseline Community Association or the Design Review Committee may, by written notice to the Owner, revoke any approval previously granted to the Owner by the Design Review Committee, in which event the Owner shall, upon receipt of such notice, immediately cease any construction, alteration or landscaping covered by the approval so revoked.

(b) The Baseline Community Association may, but is not obligated to, enter upon the Owner's Site and cure such violation at the Owner's sole cost and expense. If the Baseline Community Association cures any such violation, the Owner shall pay to the Baseline Community Association the amount of all costs and expenses incurred by the Baseline Community Association in connection therewith within thirty (30) days after the Owner receives a Default Assessment thereof from the Baseline Community Association.

(c) The Baseline Community Association or the Design Review Committee may sue the Owner to enjoin such violation.

(d) The Rules may provide additional remedies for the Baseline Community Association and the Design Review Committee.

(e) Each of the Baseline Community Association and the Design Review Committee shall have all other rights and remedies available to it under this Declaration, at law or in equity. All rights and remedies of the Baseline Community Association and the Design Review Committee shall be cumulative and the exercise of one right or remedy shall not preclude the exercise of any other right or remedy.
